

COMPACTOR

adsign.no

Key Features

- > Dual unit – compactor + storage offshore
- > Front operated/slim design – making it possible to position units side by side offshore to save space
- > Marking on top beam to indicate positioning on platform
- > Two hand control required to operate unit for increased safety
- > Easy access to control panel and service point (water filter and oil demister)
- > Wedge inclined shape for easy disposal
- > Easy to empty contents with fork pocket design (rotational fork lift)
- > Option: can be delivered side operated

Modex's core business is rental and sales of offshore containers and modules. Our goal is to deliver a world class client experience by being relentless in our pursuit of client care, creativity, innovation, reliability and economics.
