

TANKS

our design

Key Features

- > Level gauge on all tanks
- > Vent valve accessible from ground level
- > Room for coded couplings
- > Compact design, smaller unit but with the same volume as before
- > Standard design is delivered with a height of 199 cm (possible to walk on tank roof without safety lashing)
- > Marking on top beam to indicate position of valves

Modex's core business is rental and sales of offshore containers and modules. Our goal is to deliver a world class client experience by being relentless in our pursuit of client care, creativity, innovation, reliability and economics.
